Looking to grow your VA business and build your online business skills?

We're Hiring!

The [Multiple Streams Team](#) is looking for top quality Virtual Assistant's to join our busy and expanding team. We are an online service company, providing VA services to coaches, consultants and other professionals building their Multiple Streams business.

This project recently launched in collaboration of Andrea Lee, [Multiple Streams of Coaching Income](#), Tina Forsyth, [Online Business Manager](#) and Cindy Greenway, [Victoria Business Solutions](#). Together we are the official "Supplier of VA Services" and are connecting with potential clients that require assistance, then connecting a "Multiple Streams Team" VA to provide services to the client.

Within weeks of our launch we have already had a tremendous response from potential clients and we need more VAs to assist with the growing demand.

What's the benefit to being part of the Multiple Streams Team?

- We are a community, working toward common goals.
- You will have the benefit of working with clients who clearly know what they want and how they want it.
- A tremendous opportunity to work with high end clients who will be referring multiple clients to working with VAs.
- Training will be provided to strengthen your individual skills.
- Build your business and skills while increasing your revenue.

Interested in learning more about the Multiple Streams Team? See the list below for details on the skills we are currently hiring for.

Training will also be provided in the coming months on a variety of topics and programs. **This is a fabulous opportunity to learn and build your own business as part of a great team.**

Role Function

The Multiple Streams Team Virtual Assistant will:

- work with **very energetic CEO/Owners** of the businesses to market their business and products, as well as create new passive revenue streams, taking them from idea to sale
- manage administration, logistics, and infrastructure of a growing online business
- be familiar with and/or practically experienced in the skills listed below
- be a **relationship builder**, client service oriented and team player

In the daily execution of his or her role, the Virtual Assistant will use the **Multiple Streams of Coaching Income Product Funnel** model and a number of other approaches to grow the business in alignment with its stated vision and goals for success.

We are currently hiring VAs with the following skills:

Shopping Cart Administration	Online Research
Ezine Broadcasting	Basic Website Maintenance
FTP	Autoresponders
Word Processing	Create PDF Documents
Customer Service	Online Audio Recording
Article Submission	Affiliate Administration
Merchant Accounts	PowerPoint Presentations

Desired Characteristics

The ideal candidate for the role of Virtual Assistant will be:

- a lifelong learner
- an active, open, honest communicator
- a driver, implementer and initiative taker

- collaborative and flexible with a personable style
- passionate about growing themselves in this potentially long term opportunity

Logistics

Your location can be anywhere in the world including USA, Canada, Australia, UK, etc. as this is a 100% virtual role.

The client opportunities will vary in total hours and tasks.

If you offer the skills above and would like this opportunity to build your business, please submit your application to the Multiple Streams Team at <http://www.multiplestreamsteam.com/vaapplication.html>.
